English Footnotes

London, England

Even three months of living, off and on, in England have not accustomed my palate to English ale. Ale comes in different tastes: light, mild, bitter, stout, brown. They are all curiously flat, and—most difficult to reconcile—warm. But I have grown fond of the pubs with their soft, muted Victorian decor of brown wood and leather, and the standing about at the bar with huge mugs. The atmosphere is usually convivial and esoteric; and the elderly ladies who pull those enormous black-and-gold phallic pumps that dispense the draught beer call you 'Dear'. There are also plenty of old women on the other side of the bar, holding huge tankards to lips, their veins bulging with the strain. Television has not yet made its encroachment upon the conversation, there is no chrome or air-conditioning, and the dart-board is the only distraction. I usually make my way into the "public-bar", the working-class section, which is separated from the "saloon" or lounge by a partition. There, the ale is two pence cheaper, and the tie-less, rough-hewn people are more interesting. The early closing hour of 11 p.m. is comically absurd as are the two-and-a-half hours (from 3 to 5:30 p.m.) in which the pubs close in the afternoon. These times are marked by pleas of "Hurry Up Please, It's Time" or "Come Along Now, Please" and the dimming of the house-lights. The drinking, though, continues leisurely apace for quite a while. Life in the pubs reflects the whole of the English bureaucratic system: all is leisurely, nothing is ever done with dispatch.

* * *

I have been living in a basement flat near Hampstead Heath for almost three weeks. If the eye had been hitherto abused by those dreary, uniform blocks of Georgian and Victorian houses which make up most of London, then Hampstead's bright-painted, narrow, curving lanes is a pleasant antidote. The atmosphere here is almost rural, and I think this is the most charming district in the city. The Heath is wild and dark in the rain, shapes and shadows flicker and dissolve on the little hills, all is romanticized by the English mist. There is no better place for walking in rain or sun; and to stand on the heights at night and look down at the dazzling necklace of lights over London is worth coming a great way for. And this is where the young Keats, half in love with death, had wandered "through verdurous glooms and winding mossy ways" in his search for an eternal beauty. A lock of his hair, mummy-embalmed in glass, is displayed in his house on Keat's Grove, two minutes' walk away. The names and the places are all here, the presence and the wild Romantic landscape. The days have been unruffed and unbroken for me; the view from the flat is green and craggy (there is no green as deep as English green). And for once I am enjoying the slothful pleasure of not travelling, and the somewhat more rigorous pleasure of cooking.

There have been plenty of new plays to see in the West End.

Women's Club Head On Tour Here to Thank And Guest Canuck Clubs

Mrs. Tomi Kitano, Vice-president, National Federation of Business and Professional Women's Clubs in Japan, will "put down" in Toronto for a few friendly hours, Wednesday, September 2, en-route from the Congress of International Federation of Business and Professional Women which she attended as the guest of the Canadian Federation of Business and Professional Women in Paris in July.

Born in 1903, Mrs. Kitano graduated in 1924 from the Tsuda English College. For a short time she taught English at two High Schools and one Normal School—then in 1928 was married to a judge. The next few years were devoted to her family—she is now the mother of six children—three having graduated from Universities and College, and two boys now in attendance at University—one studying medicine and one studying law. The youngest girl is attending High School.

As her children became somewhat self-sufficient, Mrs. Kitano returned to the teaching profession, and later worked at the American Culture Centre as Advisor and Program Manager.

Finally, in April 1955 she retired—only to find an avocation in working for and with Women's organizations. She organized the International Ladies Club in Nagoya, finaly serving that organization as President and Advisor.

Once again she has returned to her profession as a teacher and since 1955 has been teaching English to working women, housewives and students. In June 1953, she established the Nagoya Business and Professional Women's Club. It was in the capacity of President of that Club that she became acquainted with members of the Canadian Federation of Business and Professional Women's Clubs.

So impressed was Mrs. Margaret Ashdown, the representative of the Canadian Federation of B&PW Clubs to the East West Mission to Japan, that she brought home an enthusiastic story of the work the women of Japan are doing for their country in "building bridges of un-

Japan Explores Canadian Market For Auto Export

OTTAWA — Japanese small car manufacturers have explored the prospects of selling their automobiles in Canada but face hard competition with European imports and the proposed Canadian and American economical cars.

Two of the Japanese manufacturers, the Toyopet, and Dutsam companies, have carried out "quite a serious study" of the possibility of selling in Canada over the last year.

Japanese trade secretary Leme Yamashita said, however, it was not yet known whether the companies have decided to launch a sales campaign in this country.

He added that the appearance of the Toyopet and Dutsam cars in recent Canadian exhibitions including Toronto's Canadian National Exhibition "created a great deal of interest" and that the manufacturers are watching trial sales of the little autos in the United States before embarking in wholesale exports.

No Japanese cars are sold in Canada at present, and it was felt they would face stiff competition later this year when the big three automobile manufacturers introduce their economy small cars.

Yamashita indicated the cost factor would not be an important one for the Japanese makers to gain an advantage in the small car market. He estimated the Toyopet and Dutsam small lines would cost more than $2,000 by the time they reached the west coast.

He said long haul shipping charges from Japan to the west coast and then across the country to the major eastern Canada markets, added to customs duties, would bring the price of the cars up to the expected price of the North American and European gas-savers.

Good Time By All

BEAMSVILLE, Ont.—Sunday, August 23 was a joyous day at the Nipponia Home for the elderly folks when the Mitsuba Kai Folk Dancing Club from Toronto visited to perform songs and odoris.

Gifts and performances were said to be greatly appreciated by the residents in their message of thanks. Roughly 40 people travelled from Toronto via bus.

Re-Run TV Show Next Month Stars Hayakawa

John Cassavetes, Sessue Hayakawa and Michi Kobi star in "The Kurishiki Incident," on the CBS Television Network's "Reckoning," Saturday, Sept. 12. It is a re-run. Guarding a much-looted army warehouse in Japan, Private Paul Greco (Cassavetes) fatally wounds a thief who turns out to be a young boy. Conscience-stricken, despite a court-martial acquittal, Greco follows the Japanese custom of offering an atonement gift to the boy's family. While at their home, Greco meets and eventually falls deeply in love with the lad's beautiful sister, Tama (Michi Kobi). Fearing he may lose her, Greco is unable to tell the girl of his part in her brother's untimely death, but too late, she learns the truth. Sessue Hayakawa stars as Tama's uncle, Sato.

Brazil Signs $100-million Pact For Japan Trade

TOKYO.—The Brazil Usiminas Iron and Steel Company signed a contract to purchase $100 million worth of machinery and material from the Nippon Usiminas Co. The machinery and material, which will be paid for in 11 years with the first payment to be made in 1962, will go to the huge steel mill being built in Minas, Brazil, as a joint Japanese-Brazilian venture. Signing the contract were Amaro Lanari, Jr., president of the Brazil Usiminas Iron and Steel Co.; Yukichi Sugihara, managing director of the Brazilian firm, and Teijiro Toyota and Kaname Shinra, board chairman and president of the Nippon Usiminas firm.

Pleasantly Scented Fabrics Planned For Market

TOKYO.—Perfumed bed linen and textiles for clothing are expected to hit the market soon. The Yamanashi Prefectural Research Institute disclosed that its textile industry department had succeeded in what may be called perfume-dyeing of fabrics. The process was described as very simple—soaking yarn or cloth in liquid plastic mixed with perfume for about 20 minutes. The scent fixed on fabrics in this manner will not vanish even after repeated washings. Garment manufacturers in the prefecture plan to use perfumed textiles in lining men's suits and women's dresses, in addition to manufacturing perfumed sheets.

Swim Star Goes "Native" Hopes to Marry Japanese

TOKYO. — Australian swim star Murray Rose recently announced that he will quit competition after the 1960 Olympic Games, and maybe before.

Rose, who has gone "native" and has some nice things to say about Japanese womanhood, added that he would have to train hard for Olympic competition, and is reluctant to take time out from his radio-television studies at the University of Southern California.

In the company of an American missionary and Japanese friends he has been traveling the Japanese Alps; sleeping Japanese style on floor mats and getting to like tofu and oden. Rose is a vegetarian.

"Japanese girls, because of their traits, are far more attractive than Western women, who, from the time they're about 13, act so bold you would think they've experienced all there is in life. Japanese girls have a very sensitive and unassuming quality.

"I would like very much to marry a Japanese girl," he said.

He predicted Australia will rule swimming at the Rome Olympics, followed by Japan and America.

TJCCA General Meeting

Toronto JCCA president Stan Hiraki has announced that there will be a General Meeting of the various committees on Wednesday, September 2 beginning 8:00 p.m. at 415 Spadina Avenue. The president has requested that all members attend this meeting to finalize all plans for the forthcoming Invitational Softball Tournament, dance, social and discussion of new business.

U.S. Electrical Local Launches "Buy American" Campaign Against Japan

CHICAGO.—A "Buy America" campaign aimed at limiting the flow of Japanese imports in the electronics field was launched last Friday by local 1031 of the International Brotherhood of Electrical Workers.

Frank Darling, president of Local 1031, said the union's executive board voted to pay for a series of spot commercials urging Americans to buy American made electronic parts.

Darling said Japanese imports of electronic part in the last two years have cut deeply into the union's membership, now 30,000 workers in 100 electronic plants here.

For example, Darling said, local manufacturers find it hard to compete with Japanese manufacturers who sell a radio switch here for 21 cents which cost the Chicago industrialist over 30 cents to build.

JCs Pour Into Vancouver To Attend 'Zuka Revue

VANCOUVER.—Mr. T. Sato, principle of the Japanese-Language School reporting to the NC this week said the past two weeks in Vancouver reminded him of Powell Street days before the war.

He was referring to visitors from Toronto, Fort William, Winnipeg, Lethbridge, Calgary, Edmonton and various other Interior B.C. points in Vancouver to attend the Takarazuka Girls Revue and Film Festival. Adding to hustle-bustle in the Japanese community was the return of JCs from a visit to Japan aboard the Hikawa Maru he said.

After the 'Zuka Revue and the return of visitors concluded Mr. Sato in somewhat exaggerated tone, "the quiet was like the stillness of the moments following a typhoon."

He also mentioned that morning and evening summers courses in Japanese had begun this month with 65 pupils attending.

Another Sessue Re-run

For those who missed the Wagon Train series with Ward Bond, co-starring Sessue Hayakawa as a samurai warrior, will be able to view a re-run this Wednesday evening on Buffalo's WGR, channel 2, 7:30-8:30.

Regent Pressmen Take First of Best Three Series From Youthful Main Auto in Nisei Sunday League

By TOSH

In the Toronto Nisei Baseball League action last Sunday, Regent Press moved into the driver's seat for the Harry Miyazaki Championship Trophy as they took the all-important opener of the best of three final series setting back the youthful Main Auto crew 6-4 in a hard-fought contest.

A two round-tripper by the veteran Ken Ikeda was the deciding margin.

Regent Press took command with two runs in the first inning never looking back. A walk and successive singles by Ken Ikeda and John Tohana plated the deciding runs for the Regent men. In the second inning, Vic Kitamura's run-producing single gave Regent Press a three-run margin.

Main Auto closed the gap in the third as they came up with two runs. Freddie Nishimura lined a homer into left field and John Nishimura, who had singled, rode home on Ike Shiozaki's shot into centre. In the fifth inning, Main Auto gained a temporary tie when Sid Ikeda doubled and scored John Nishimura who went safe on a wild throw to first base.

In their home half of the fifth, Regents exploded for 3 runs. Sumi Tomihiro opened the frame with a single. Auto's manager Tosh Sakamoto, playing in place of regular centrefielder Mitch Nishimura became the goat of the game when he misjudged a hard hit drive off the bat of the ever-dangerous Ken Ikeda. That line smash proved to be the difference in the ballgame. The third run of the inning was scored when John Tohana, reaching first base when hit by Main Auto pitcher, stole second and third crossing home plate on an infield out.

Main Auto threatened in the sixth inning as fireballing Frank Nishimura ran into control difficulty. An error and three walks plated one run. With two men retired, shortstop Sumi Tomihiro was brought in to relieve Nishimura. He needed just one pitch to snuff out the rally.

The two opposing hurlers were evenly matched as both Frank Nishimura and Main Auto pitcher, Sab Seki, gave up six hits apiece also matching in eight strikeouts.

Regent Press were led by Ken Ikeda with his homer and single, and Kaz Nishimura who collected a double.

Freddie Nishimura was best for Main Auto with his homer, while Tosh Sakamoto banged out a triple and a single.

Main Auto—Sab Seki and Sam Matsuo.

Regent Press—Frank Nishimura (6) Sumi Tomihiro (7) Frank Nishimura and Kaz Nishimura.

The winner of the draw for a case of refreshments was Miss Mary Moulder.

Next game will be played tomorrow morning at Stanley Park beginning 9:00 a.m. Come out and cheer for your team thereby displaying your support for the Nisei Sunday League.

Softball Practice Wed.

There will be a softball practice on Wednesday next week for members of the Toronto team entered in the Toronto JCCA Softball Tournament.

Practice is to be held at Bedford Park (south side of Bloor Street opposite Christie Pits) promptly at 6:30 p.m. All team members are asked to turn out.

Teams Preparing For Toronto JCCA Labor Day Softball Tourney at Fairbank's Memorial Park

The Toronto team practicing weekly to gain back its lost laurels from the 1958 Labor Day Softball Tournament is gaining momentum with every indication pointing to another hustling team.

Managed and coached by Roy Kobayashi and Jackie Tanaka, the Toronto infield consisting of Maw Mori, Major Fukumoto and Sho Mori, all actively playing with the Honest Ed team in the Western City Baseball League, will be on hand as well as Bob Miwa who plays with the Columbus boys in the same league, guarding the hot-spot.

Tom Sumi and Sumi Tomihiro will share the catching chores when not playing the outfield. As soon as the team picks up a few more outfielders, it will be ready to give contenders a fight in this 9th Annual Toronto JCCA sponsored softball tournament.

The Cicero, A and H Auto Body Repairs team, making its first appearacne here, will have two pitchers and two catchers making their team a good contender for the finals. Sponsored by John Fujii, managed by Bob Hasuike and coached by George Makiyama, this team also comes from the Chicago area.

All games will be played at Fairbank's Memorial Park with teams from Chicago, the Cicero team, Detroit, Toronto and the 1958 champion team from Chatham, Ontario.

Saturday's games will start at 9:00 a.m.; Sunday, 1:30 p.m. There will be complete programs with all teams' lineups at the park free of charge. Ample parking.

Japanese American In Pan-Am Swim Trials

CHICAGO.—Ken Nakasone, 18-year-old Hawaiian swimmer, was one of the five record breakers at the U.S. swimming trials for the forthcoming Pan-American Games at Chicago this week. He set an American standard in the men's 220 breaststroke at 2m. 45.6s. to earn a spot on the U.S. team.

Vancouver, B.C.'s Margaret Iwasaki, 17, joins 20 others on the Canadian team. She is the butterfly artist, holding many Canadian records: 1m. 14 in the 110-yd. being the most impressive.

井伊大老夫妻の直筆
彦根で紙クズの中から發見

【彦根發】井伊大老百年祭を前に奇しくも彦根の舊家からクズ屋に賣られた紙クズの中から、直スケ公の直筆をはじめ貴重な文献が發表されて話題を呼んでいる。彦根市芹橋町の澤勘四郎さんが市内柳町クズ問屋山崎鎌藏さん方で見つけてきたもの。

△この直筆や文献はそれとは知らずに芹橋町四丁目秋山秀政家が昔から同家の土藏にあつた紙クズを整理してクズ屋に拂下げたもので大老と昌子夫人が懐紙にしたためた和歌は次の三首で百年以上を經過したものだけに虫が食つた箇所もあるが、みつけ出した澤さんはこれを表裝にして家寶に殘すといつている

めぐますてあるべきものは道のべに出たつ民のしたふまことを

（昌子夫人のもの）つきしなき御代のはるとて見わたせはふしの高根は霞こめつつ

このほか貴重な文献もみつかつており、とくに江州麻布に關するものは得がたきものとして學界から注目されている。

CNEと日加親善 まず日本の理解を・・・

日本貿易振興會嘱託
CNE日本事務局長
横山幸生

日本がシーエヌイーに參加するのは今回が四回目である。參加國が大幅に増えて今年は十五ヵ國、そのなかで日本は最大の展示面積をもち、規模においても斷然他を壓しているのはカナダと日本との關係を經濟的に緊密に結びつけ、また一層と親善關係を深めたいと願つているわれわれにとつて幸いなことである。シーエヌイーと併行してバンクーバーで開かれているピーエヌイーにもジエトロは參加した。東部ばかりでなく、西海岸地方にも日本のことを知つて頂くよいチャンスだと考えている。

日本はカナダから年々小麥や鑛産物などたくさんの品物を買つている。いわゆる輸入超過をつづけている『カナダにとつて第四番目のお客さん』であるが、最近は日本からの輸出もようやく増えてきている。われわれとしてはカナダにもつと日本商品を買つてもらいたいと思うが、それよりも大切なことは「日本への理解と好意」である。

商品が賣れても、そこに「排斥的な氣分」があつたのでは健全な日加關係は生れて來ないと考える。

◇

好意は理解から生れると思う。日本に對し好意をもつてもらうには、日本のことをよく知つてもらうことが一番の早道だろう。そうした意味で今年はインフォーメーション・ブースに力コブを入れ、少しでも多くの人に日本を理解して頂くように努力した。もとより商品の出品をおろそかにしたわけではない。入場者三百万人という大ぜいの人に身近かな感じで見て頂くように「消費物資」を中心に優秀な商品を選んで出品してあるから、トクとご覧いただきたい。

商品を見ればその國の産業水準がわかると云われている。日本の商品をご覧頂けば、日本の工業水準、技術のレベルが理解していただけると思う。「安かろう惡かろう」と云われたのは昔の話——。今では「品質よくて、値ごろも高くない」のが日本品の特長である。

◇

こうして商品を通じて日本を理解してもらうばかりでなく、日本の文化——風俗、習慣、美術、工藝などを通して日本をもっと知つても頂きたいと思う。

最近アメリカやヨーロッパでは俗に云う「日本趣味」が流行しているが、これは二千年の歴史を背景とした日本の平和的な良さが次第に認識され、生活文化のなかにとり入れられてきたためであろう。

今回はシーエヌイーのアトラクションとして、日系人の皆さんのご協力で「日本の庭園にて」というショウ、さらに日本花火の打上げなどを行うことになっているが、こうしたささやかなアトラクションが、「日本への理解と好意」を深めるよすがともなれば望外の幸せである。

最後に日系人諸賢の一段のご活躍を祈るとともに、領事館、商社その他皆さんのご聲援ご協力を深く感謝する次第である。

新しい観光ルート— 紀井半島をめぐって

（一）

こうした情勢に對し、日本交通公社はかねてから紀州地方の觀光資源に着目し、和歌山、新宮、白濱日に夫々案内所を設け、漸く激増を豫想される内外の觀光客受入斡旋に万全を期してきた。一方同地方の宿泊施設も着々と整備され、觀光道路も日を追つて改良されつつあり來るべき觀光ラッシュを控えて受入體制の強化に關係者一同連日席のあたたまる暇もない忙しさである。次に同半島の主要な名所舊跡を紹介し、今後同地を訪れる人々の手引としよう。

○和歌山市（大阪驛から國鐵で一時間二十分）和歌山市は紀の河口の沖積平野に、古くは、水戸、尾張と並んで徳川御三家の城下町として發展し、今も和歌山縣の縣廳所在地として政治經濟の中心地で、人口約二五萬、戰前・戰後を通じ紀州第一の都市として知られ綿ネル、皮革化學、油脂、酒造、機械の工業が盛んで和歌山港はこれらの産物の積出港で、重要港灣に指定されている。

○和歌山城（東和歌山驛から市電で十分）和歌山城は羽柴秀長によって一五八五年築城され、第二次大戰で燒失したが、天守閣は一九五八年修復され、再び白亞三層の英姿が望まれ、昔日の德川藩屏の居城にふさわしい堂々たる威風を示している。

○和歌の浦（東和歌山驛から市電で廿五分）和歌の浦は和歌浦、新和歌浦、奥新和歌浦、雜賀崎を含む區域で、絵のように美しい和歌浦灣を抱く變化に富んだ海岸美は古成層の岩石で形成され、昔から詩歌の題材として親しまれ、觀光地百選の海岸の部で第一位に選ばれた程の景勝地である。

○アメリカ村（和歌山驛より國鐵で一時間二十分の御坊驛下車、さらにバスにて三十分）アメリカ村は煙樹ガ濱の西につづく海岸、日の岬の東にある。この日の岬附近は耕地が少く、農業に惠まれず明治以來多くの村民が北米・カナダに移住した。このアメリカ村の人口は約一、四〇〇名で、そのほとんどが渡米の經驗がある。又、現在約一、五〇〇名が同村より移民として海外へ行つている。從つて、アメリカ村は歸國する一世や、日本で教育をうけるため、或は結婚のために歸つた二世・三世で往來が激しい。そのため生活様式もアメリカ風であつて、言葉も英語と日本語の兩方を混ぜて自然に使い、小學校でも兩方を教えている。同村を觀光的に開放していて普通の民家でも簡單に見學ができる。

カナダの「日本村」

（四）

加藤秀俊

ところが、一世たちの日本觀がこのように變ぼうしカナダを『腰掛け』でなく永住の地として見るようになると、家庭のなかでの文化學習の關係が逆轉する。つまり、日本に歸るアテがあればこそ、親は子に日本的教養を要求したのだが、カナダに住みつくとなればこんどはカナダ社會に本腰を入れて適應する方法を考えなければならない。そのためには、從來と逆に、カナダ人である二世たちを文化學習の教師にすることが必要になつてくるのである。

マーガレット・ミードやエム・ウォルフェンシュタインはアメリカの文化の特性のひとつとして、子が親の教師であるという事情をあげた。だいたいが移民の國として成立したアメリカでは、母國の文化のカラをくっつけた一世にたいしてその息子や娘たちがアメリカ社會を代表して再教育するというのだ。カナダでも事情はかなり似ている。そして、スチーブストンでおこりつつある以上のような世代交代は、ことによるとはじめて日系カナダ人が日本人としてでなく「カナダ市民」として發足しつつある、ということなのかもしれない。私は、それを大へんに健康な状況だと思う。

付記　スチーブストンでは現在アール・ビー・ドア氏、明大の蒲生氏、都立大青柳氏、それに鶴見和子氏のチームによる調査が進行中である。私もこの調査に參加するよう招かれていたのだが、二三の事情から、未練を殘しながら一週間の滯在で歸國しなければならなかつた。將來、このチームによる正確な報告を期待したい。

表面は靜かだが底は燃えている
—カナダの對日貿易方針—

【オタワ發】カナダ政府が國內業者の強い要請に應じて日本製品の對加輸出を制限してほしいということで、日加間に交渉がつづけられた結果、ひとまず双方間に滿足的な話合いがつき、日本側がセンイ品の輸出數量を減らし、品質チエツキも行うということで、一時停止されていたセンイ品の再輸出が行われることになつた。しかし、カナダ政府がかかる前例をつくつたことによつて、今後、第三國からの輸入が少しでも伸びて國內業者が多少でも悲鳴をあげれば、日本品には對抗措置をとつたではないかと政府は苦境におかれるのではないかとみられている。ピアソン自由黨主も、オタワ政府のとつている對日貿易政策を非難し、日本をあまり強く押しつけると、日本は生存上、やむなく共產圏と交易し、ひいては日本を自由國家群から失うことになると警告しているが、オタワ議會再開とともに、カナダの對日貿易方針について野黨側は今后もなじる好材料として使うことは明らかだと消息筋ではみている。

岸首相から ソ連首相に親書

【東京時事通信】日ソ、東歐貿易會々長北村德太郞氏はジエトロの顧問として今週訪ソしたが、出發に先立ち岸首相を訪ね、ソ連首腦との交渉について話合つた。その結果北村氏は岸首相からソ連首相あての『日ソ友好親善をはかりたい』旨の親書をたづさえて行くことになつた。

中共の生產額 殆んど半減さる

【香港發】中共の穀物生產額は目標のほとんど半額に低下されると共に鐵生產も三分の一に引下げられたと北京政府は今週發表した。それと同時に人民集團經營も大きく緩和されたことも明らかにされたことは中共の生產計畫が軌道に乘らず、目標生產額にどうしても達し得ないことの自白であると外人觀測者はみている。

カナダ人の趣向さぐる テレビ放送調査に反對

△カナダ放送協會の執行委員會委員の一人であるケート・エーキン女史はお料理の先生で、放送者としても有名だが、ちかごろシービーシーが『國內のテレビ放送プログラムの五十五パーセント以上は純カナダ的のものとする』規定を發表して、カナダイズムを盛ろうという意慾なのだが、さてカナダ的なものとは一体何であるか。

△そのことをはじめ、どんなテレビ・プログラムを一般國民が好み望むかを約二千人の民間批評家を各地にたずねてアンケートしようとエーキン女史が計畫實施に移すことになつたと發表した。すると忽ちケンケンゴウゴウの反對の聲があがつている。

△お料理の先生としては申し分ないエーキン女史だが全國をかけめぐり、しかも敎師とか、慈善團体の首腦とか敎師とか、全く素人から意見を聽取して、カナダ人が今后みるプログラムの選定をやられてはやり切れぬというのである。どうやら、この問題は當分の間、紙上をにぎわすことになろう。

ポリオ豫防液なく
ト市ではあわてて急製訴える

△モントリオール方面のポリオ流行のため、トロントでつくつたポリオ豫防注射液約百万本はクベツク州に急送され、オンタリオ州內の豫防注射液は文字通り空つぽという事態におちいり關係當局をあわてさせている。

△ところが今週になつてトロント市內でポリオ新患者が四名も續出、そのうち三名はマヒしたとの報道で、市民の不安はつのるばかりであるが、かんじんの豫防液がまるで手に入らないというわけでト市會では重大事として當局に大至急つくり上げて貯藏するよう訴えている。

△コノート研究所では九月九日か十日ごろでないと十分なる豫防液の貯藏はできないといつているが、一方市會では大金をかけてもよいから、市民の生命を守るため、無料一般注射を行うべきだとの意見が再び持上つており、自家に火がついたような騷ぎを演じている。

日本代表來市

パリで開かれた國際有職婦人連盟大會に日本代表として參加した北野トミ夫人(日本有職婦人連盟副會長)は九月二日トロント着、ト市の同連盟支部會より歡迎されることになつている。

飛行中に双生兒を生む

【ロンドン發】去る二十五日ロンドンからニューヨーク向けの大西洋横斷旅客機內で、米軍人の妻スチーヴアー夫人(一八)は双生兒を安產、旅客機はニユーフアンランドのガンター空港に不時着陸して、ベビーと母親を付近の病院に運んだがいずれも健全という。機內でふた兒が生れたのは最初のことであるが、ちようど乘客中にドクター夫妻がおり、それに看護婦助手だつたスチユワーデスが手助けて安產させたもの。

「電氣睡眠」を實用化へ 高血壓、不眠症に効く

【東京發】弱い電流を數分間大腦に流すだけで、自然の眠りと同じ睡眠狀態に入れるという「電氣睡眠法」が最近醫學界の話題となつている。この方法はソ連で十年ほど前から研究され、中共、東歐など共產圏諸國では、すでに高血壓、胃カイヨウ、不眠症の治療に盛んに使われている。ことしの九月にはソ連醫學使節が、アメリカにこの機械を持込んで公開實驗をするというので、早くも同國醫學界に大きな反響を巻き起している。日本でも、二、三年前から東大、廣島大など數カ所で研究され、不眠症の治療に相當の効果をあげているが、近ごろでは大手の家庭電氣器具メーカーも、これに目をつけており、電化ブームの波にのつて、「家庭用電氣睡眠器」がお目見得し、睡眠藥の強敵となる日も案外近いかも知れない。

赤ん坊背負い子供を軍人にしたくないと 母親たちデモ

【東京發】先週末より三日間にわたり東京で開かれていた第五回母親大會は、赤ん坊を背負つた母親たち一万二千人のデモ行列によつてクライマツクスに達した。母親たちは『息子を兵隊にさせるために育てているのではない』と叫びながらの行進を行つた。日本政府はこの母親大會は共產主義者によつてリードされているとし、各府縣に支持するなと警告を發しているが、母親大會では安保條約改正について反對議決をさけ『一人一人が學修を深め、地域に學修活動を浸透させるとともに政府に對しては多くの問題點を含む改定をとりやめることを要求する』という結論を打出した。母親大會の傾向に横ヤリを入れた政府に對し、各有力紙は非難の言辭を列べており、朝日新聞の天聲人語は『これは重大な自由の壓迫である。そんなことをしていては(昔憲兵・今自民)といわれかねまい。(自由民主黨)の看板が泣こう』と論難している。

國際的テレビ放送 東京五輪大會に

【東京發】一九六四年の東京オリンピック大會の模様を國際的にテレビ放送する計畫が日本放送協會の田邊義友氏より發表されたが、それによると東京から歐洲向けのテレビ放送は東南アジア[illegible]アメリカ向けにはアリユーシヤンに夫々マイクロウエーブを設ければ可能であるとのことである。

日本各地方とも景氣回復の動向

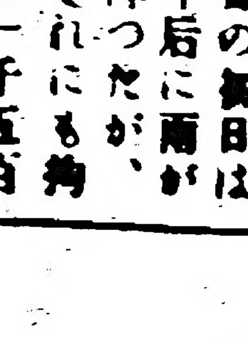
【東京時事通信】通產省は今週、秋期全國通產局長會議を開き、それぞれの經濟情勢報告が行われた。これによると各地方の景氣動向は本年初め以來の回復傾向を一層强め、石炭など一部業種を除いて生產は過去のピークを遙かに上回る好調を續け、輸出もまたセンイの立直りをはじめとして全般的に順調な進展をとげてる。

對外放送强化に

日本放送協會では世界各地に[illegible]日[illegible]時間、短波放送を行つているが、今回、更らに機能を强化し、特にニユース、日本語講座、新しき日本の姿等に重點をおくことになつて、實行している。なほ、放送番組プログラムを希望するものは、東京都日本放送協會國際局に申込めば早目に送つてくれる。

カナダの競走艇 世界選手權とる

【デトロイト發】世界スピード・ボートの最高賞杯であるハームスウオース杯爭奪競走が當市で三日間にわたり行われ、世界選手權保持の米國ボート「マヴアリツク」は第一回でカナダの挑戰ボート「ミス・スーパーテスト」に負けた[illegible]二回戰で勝ち、決勝でカナダのボートは時速百七十マイルも走らして優勝、賞杯を獲得した。カナダが勝つたのは今回がはじめてである。



△ト市共進會の初日は午后に雨が降つたが、それにも拘らず入場者十一万一千五百人と初日の最高レコードを示した。また十九日も軍艦が湖上に集結している偉觀を見ようと道路は自動車の行列でぎつしり。市街は水兵さんが漫歩して、トロントはさながら海港のような感じを與えている。△今週中部日本は大暴風雨にやられ、死者一、行方不明五名を出したし、館山に登山中の一千名は山中小屋にとぢ込められたままであつた。

University of Toronto Nisei Students' Club's Annual Picnic to Lake Simcoe Termed Successful

The University of Toronto Nisei Students' Club's Annual picnic held earlier this month at Lake Simcoe was a tremendous success. The lon[g] hours the picnic committee s[pent] to perfect every little detail were certainly apparent in the manner in which the day's events were carried out.

As in previous years, all the ingredients were there for a well-rounded day, with as much or as little activity as desired by each picnicer. There w[as] swimming, boating, dancing, [bo]ating, horseback riding and many other enjoyable passtimes.

In the evening, [a] weiner roast and sing-song were held around a blazing fire. [The] day was climaxed with a [dance in the] pavilion. Fortun[ately the] weatherman was k[ind enough to] give the NSC wond[erful weather.] Any showers woul[d have failed] to dampen the enth[usiastic spirit] of those who attend[ed.]

We would like [to] thank the Dundas Union St[ore] Ltd., [the] Furuya Trading C[o.,] and [the] Paramount Gift S[hop] for their generous donations.

In the following months, the Nisei Students' Club will be planning many other activities such as the Autumn Nocturne and the Glenn Miller Nite. We hope to see you at all our gatherings.

St. Andrew's Church

Canadian-Japanese Mission Eastern Bible Camp Largest Since Opening

ORILLIA, Ont.—The Canadian Japanese Mission Bible Camp has witnessed the biggest and best camp yet since it's beginning four years ago. The spacious grounds at the Fair Havens saw over 70 people gathered on one of the hottest weeks this summer. On the two weekends the capacity reached its height with over 90 people, who all joined in with the camp spirit and enjoyed the restful north country.

The campers were occupied every minute of the day taking in the most of the 9 full days of camp life. The most enjoyable moments were when everyone gathered in the dining hall to feast and satisfy that camp appetite on the delicious meals prepared by the cooks Mrs. Bayley and Mrs. Kinoshita. Also during camp were several contests of which in the fishing contest, Kenny Seko won a prize for catching the most fish, 35 all tolled and Russell Bayley for catching the biggest fish.

The best campers chosen were Naomi Suyama among the girls and Mits Toyama among the boys. Then Sharon Shimano received a beautiful girl's wristwatch donated by Mr. Nelson Nakano for memorizing the required Bible verses and quoting them word perfect, in close second were Diane and Naomi Suyama.

During sports there was a real competitive spirit as the Red, Green, Purple and White teams fought for top points. The White's managed to struggle to the top as the field day marked its close. Visiting workers, Miss Margaret Ridgway, Miss Mary Uchida, Miss Blanche Kawasoye and Rev. Tom Tazumi were greatly appreciated and proved a real blessing to all.

Rev. C. E. Bayley, our Camp Speaker, challenged both young and old along spiritual lines with "What will you do with Christ? will you 'Crown' Him by accepting Him as Saviour and Lord or 'Crucify' Him by being indifferent and rejecting Him." Around the camp-fire services, many young people testified to give their lives in following Christ. Everyone went home a little tired but anxious to be back the following year.

Footnotes

(continued from page one)

One of the most interesting has been "A Raisin in the Sun", picked by the New York Critics' Circle as the Best American Play in 1958 but only now getting a London run. It is about a poor Negro family in the Chicago slums who gain and lose most of a windfall of insurance money, and then decide with what is left to move into a better house in a white district. The main point of tension is between the son who wants to invest the money in a liquor store so that he will be financially independent of (and therefore equal to) the whites, and the mother who wants to buy a house so that the family can gain a reprieve from the tenement jungle. The son is fleeced out of the money, the family learns they are unwanted in the white community. It is the son who makes the decision at the end: he asserts his racial pride and decides that they must defy the whites and move into their new home so that they can keep a "pinch of dignity". The problems discussed are those which concern most minorities: the jobs they can get, the areas they can live in, the choice of assimilation or racial independence. These subjects are interesting enough, perhaps even vital, but I wonder if playwright Lorraine Hansbury meant to typify the entire Negro group by this family. I have never before sat through a play in which every word was shrieked at utmost volume, like mad King Lear on the heath. It is such a noisy play. Contrast this to "The Aspern Papers" in which Michael Redgrave and Flora Robson, those two superb artisans of the English stage, gave full voicing to the intricasy of character and theme by subtle modulations of speech and understatement. One can say, perhaps, that a mark of a good play is that one remembers it long after the curtain has fallen. The pity of "A Raisin in the Sun", with all its urgency of theme, is that I felt blundgeoned into insensibility and left speechless. On the other hand "The Aspern Papers" with its mild plot—the story of a man who will do anything to get possession of some prized letters of a dead poet and of the woman who will not give them to him—was good enough to make me want to see it again.

I keep looking at old issues of Canadian newspapers, usually at least three weeks old, and I find my interest falling imperceptibly, bit by bit. Months ago, I used to look at every page, filled with a strange rage of desire to keep in close contact with events in Canada. But the months pass, the world turns, the viewpoint changes, even Canada becomes slightly alien. I think this is inevitable; what would happen, I have often wondered, if I were to stay longer in Europe? Yet, to be a Canadian is to be in constant search for identity. In Europe, it is difficult to scratch beneath the facade of French, Italian and English society; and always, then, one is thrust back upon oneself. But perhaps that is one essential purpose of serving oneself from Canada, even if it is only for a few months: to understand more clearly one's own country and to see further into the need for acquiring an identity out of the essential rootlessness. The image of rootlessness is clearer abroad; the reconciliation, as well as the approach at the meaning of all this experience, will take place at home. It is good, even necessary I think, to have for a while this experience of cutting oneself adrift; to be not a part of society, to be not a success or failure, to be not absorbed and accepted within the community as a member of the establishment.

THE JAZZ BEAT

By HOP

A fortnight ago, Toshiko Akiyoshi and her trio finished a one week stint at the Town Tavern. Unfortunately, business was fairly [illegible] during the trio's presence, which could be blamed on the weather and vacation periods, or Toshiko's failure to gather fresh material. I found for the most part, the compositions presented were the same as those played last year. Another reason was probably that the novelty of her Japanese background, which must have attracted a large part of the multitude that appeared on her first visit, had worn off. Toshiko had always maintained that she wanted Jazz fans to be attracted to the merits of her piano work, rather than by her ancestry. I noted that there was a lack of "Nihonjin" faces present. With Toshiko were bassist Gene Cherico and drummer Kalil Madi. Gene is presently the regular bassist with Herb Pomeroy's band down Boston way. Toshiko, who appears to be getting more "Americanized" these days (her long tresses of hair have been shorn), confessed that she will probably be married towards the end of the current year. The fellow is a well known musician among Jazz circles.

New York: On Friday, August 21st, we went to Randall's Island to catch the opening concert of the three day Randall's Island Jazz Festival. From eight in the evening to two in the morning we witnessed and heard a parade of seven groups (including two vocalists) and two big bands. Despite the presence of Jazzville's biggest names, I found the program unsatisfying overall. The two highlights were the appearances of Horace Silver (this boy could become mayor of Harlem if he marketed his Quintet) and the seventeen piece band of Johnny Richard's. The biggest disappointment of the night was the sixteen piece band of Dizzy Gillespie. This was the band I had really come to hear. Graced with such outstanding musicians as Lee Morgan, Quincey Jones, Benny Golson, Ernie Wilkins, Phil Woods and Charlie Persip, it was hard to understand how it could miss. But miss it did, appearing disjointed and sloppy, a faint image of the great band that Dizzy once led into Toronto. It must be remembered however, that this was organized just for the one night, and did not have the melding that an orchestra travelling together for a length of time would have. I later learned, that the Gillespie band had practised ten numbers together. But for some strange reason, Dizzy chose to ignore these, and called for others. In direct contrast, Johnny Richards led a well organized, cohesive unit which also included Charlie Persip, one of the great big band drummers of today. Others appearing were the Jimmy DePriest Quintet, Sarah Vaughn, Dave Brubeck Quartet, Jimmy Smith Trio, Bill Henderson, Max Roach Quintet, and a number (too many) of famous disc jockeys. The worst facet of the whole thing was the sound system, which was a disgrace. Compared to the CNE Grandstand system we had, it sounded like a scratchy, old used 78 RPM record which should have been junked as soon as 33-1/3 RPM came out. The festival, which carried on for two more days, also featured Duke Ellington and his Orchestra, Dinah Washington, Chico Hamilton Quintet, Al Cohn-Zoot Sims Quintet, Ramsey Lewis Trio, Chris Connor, Art Blakey and his Jazz Messengers, Thelonius Monk and his 10 piece Orchestra, Miles Davis Sextet, Ahmad Jamal Trio, Modern Jazz Quartet, Dakota Staton, and Stan Kenton and his Orchestra. Man, to have all that up here in Toronto!

One other thing of interest that we caught in New York was Rodgers and Hammerstein's "Flower Drum Song". Being fortunate enough to obtain tickets a day before the performance, we saw the much talked about Pat Suzuki and Miyoshi Umeki head a cast which comprised for the most part, Orientals (although I overlooked singling them out among the dancers, Toronto's Dave Toguri and Naomi Kimura are in the cast). The musical was worth every penny, and for those who are heading toward the "Apple" (New York City) and intend to see it, tickets should be ordered well in advance. Pat Suzuki, in particular, showed why the reviewers threw raves in her direction.

Odd Bits: Harry Edison and his Quartet due to appear at The Town Tavern next week, following the Lambert, Hendricks and Ross Singers, who finish tonight. The singers probably made the fastest return engagement the T.T. ever had. Couldn't happen to a greater vocal combo. Red Norvo's group follow Harry Edison. . . . The Colonial (that off and on pad) will have Gene Krupa following Jack Teagarden and his Sextet. Krupa's Quartet will open September 7th. . . . Gerry Mulligan's Quartet has disbanded. Jeru must be too busy being an actor. . . . it is rumoured that Miles Davis will also break up his group. . . . Benny Golson will join forces with Art Farmer to form a sextet, so the story goes: Trombonist Curtis Fuller, pianist Ray Bryant, bassist Addison Farmer, and drummer Dave Bailey are the others. Dave and Art were one half of the now defunct Gerry Mulligan Quartet. . . . Due to the Randall's Island Jazz Festival, hardly anything was happening in New York. Sounds unbelievable? One reason why we ended up seeing three movies in one week. One of these happened to be Otto Preminger's "Anatomy of a Murder". Besides being a gas of a movie, it had a complete soundtrack by Duke Ellington (Columbia CL 1360). At one point the Duke appears in the movie with a few of his band, including old friend, Jimmy Woode. What is Duke's monicker in the movie? Pie Eye. Trumpeter Ruby Broff will appear at the Westover's Basin Street Room Monday.

derstanding". Members of the Canadian Federation were eager to assist this representative of the newly formed Japanese Federation of Business and Professional Women's Clubs to attend the Congress of International Federation of Business and Professional Women in Paris—hence it was with great pleasure that they raised $2,500 by personal and club donations to make it possible that such a fine Japanese member might attend. Money restrictions in Japan are stringent and the Japanese Federation had not had an opportunity to contribute to the Delegates travelling fund since it was so recently formed. Mrs. Kitano has visited her family in Chicago for a few weeks and now is able to spend only a few hours in Toronto.

She will be met at the Airport by Miss Isabel McLellan, President of the North Toronto Business and Professional Women's Club; have dinner at the home of Mrs. Margaret Ashdown, Chairman, United Nations Committee, Canadian Federation of Bussiness and Professional Women's Club; appear on CBC Tabloid. During the evening Mrs. Kitano will be the guest of the Council of Business and Professional Women's Clubs of Metropolitan Toronto at the North Toronto Business and Professional Women's Club House, 4 Glengrove Ave. West.

Mrs. Kitano is truly living the Oriental proverb—which goes something like this: "If a man is lonesome, it is because he builds walls—if he is friendly he builds bridges". In her personal, business, and social life, Mrs. Kitano has been always busy building bridges of communication—hence a friendly person, she invariably find friends wherever she goes.
